Report of Independent Certified Public Accountants

To the Board of Trustees of
The Catholic Community Foundation of the Archdiocese of Baltimore, Inc.

We have audited the accompanying financial statements of The Catholic Community Foundation of the Archdiocese of Baltimore, Inc. ("CCF, Inc."), which comprise the statement of financial position as of June 30, 2014, and the related statements of activities and changes in net assets and cash flows for the year then ended, and the related notes to the financial statements.

Management's responsibility for the financial statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to CCF, Inc.'s preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of CCF, Inc.'s internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of CCF, Inc. as of June 30, 2014, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matters

The financial statements of CCF, Inc. as of June 30, 2013, and for the year then ended were audited by other auditors. Those auditors expressed an unmodified opinion on those financial statements in their report dated December 13, 2013.

NOTES TO FINANCIAL STATEMENTS

June 30, 2014 and 2013

NOTE 1 - ORGANIZATION

The Catholic Community Foundation of The Archdiocese of Baltimore, Inc. ("CCF, Inc.") was established in 1998. The mission of CCF, Inc. is to financially support the spiritual, educational and social needs of the Catholic community within the Archdiocese of Baltimore. CCF, Inc. fulfills this mission by establishing fund agreements providing ongoing support to fund the mission and ministries of parishes, schools, and programs of the Archdiocese of Baltimore and other Catholic institutions located therein.

CCF, Inc. is incorporated in the state of Maryland. The Board of Trustees is authorized to provide all rules, policies, and procedures necessary to establish and administer investment funds. CCF, Inc. currently engages the Central Services of the Roman Catholic Archbishop of Baltimore ("Central Services"), a corporation sole of the state of Maryland, to provide certain administration and development functions in exchange for administrative fees. There were 440 separate fund agreements in CCF, Inc. as of June 30, 2014. These funds generally fall in one of four categories.

- *Field of Interest Funds* established to support a particular area of need such as Catholic Education or Vocations.
- *Organizational Funds* established for individual parishes, schools, and affiliated organizations of the Archdiocese for the general purposes of the specific organization.
- *Individual Community Funds* established by individual donors. These donor-restricted funds may have several beneficiaries that will receive ongoing financial support. As required by CCF, Inc.'s Board of Trustees, 50% of the income and assets of a fund must be restricted for the use of the Archdiocese of Baltimore and/or Catholic institutions located therein.
- *Donor Advised Funds* established by individuals who wish to remain active in their philanthropy and have access to CCF, Inc.'s professional advice and management. Donors may suggest charitable distributions from funds they have established, although CCF, Inc.'s Board of Trustees is required to make final decisions on all grants.

Investment proceeds are distributed annually based on the distribution parameters approved by CCF, Inc.'s Board of Trustees, consistent with donor gift agreements.

Investments are managed by an external investment management firm.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Presentation

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Cash

Cash consists of deposits awaiting transfer to the investment management firm.

Concentration of Credit Risk

Financial instruments which potentially subject CCF, Inc. to concentrations of credit risk consist of cash and investments in securities. CCF, Inc. places its cash and investments with credit worthy, high quality financial institutions. Though the fair value of investments is subject to fluctuations on a year to year basis, CCF, Inc. believes that its investment policies are prudent for the long-term welfare of the organization.

Cash is maintained at one financial institution and at times, the total value of deposits maintained may exceed the amount insured by federal agencies and, therefore, bears some risk. CCF, Inc. has not experienced any losses as a result of exceeding insured amounts. As of June 30, 2014 and 2013, there was \$0 and \$40,807, respectively, in funds held in excess of the FDIC limit.

Fair Value of Financial Instruments

• **Cash and Investments**

The carrying amount for cash and investments approximates fair value. The fair value of investments is based on quoted market prices as of the reporting date. Income from cash and investments are included in unrestricted investment income, unless the income is restricted by the donor.

• **Contributions Receivable**

Donor pledges which are expected to be collected in future periods in excess of 12 months are recorded at the present value of the estimated future cash flows, discounted using a risk-adjusted discount rate applicable to the years in which the promises were received. Discount rates utilized were derived utilizing the risk-adjusted rate and ranged from 1.62% to 4.30% at June 30, 2014 and 2013. Refer to Note 4, Contributions Receivable, for details of amounts associated with contributions.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - Continued

Fair Value of Financial Instruments - continued

- **Charitable Gift Annuities**

The net fair value of gift annuities is determined annually by adjusting the annuity liability to reflect amortization of the discount and changes in the life expectancy of the donors/annuitants. The annuity liability reflects the present value of the estimated future payments to be made to the donor and/or other beneficiaries. Refer to Note 5, Other Assets, for further detail.

- **Fair Value Measurement**

CCF, Inc. follows FASB issued guidance for fair value measurements which establishes a framework for measuring fair value, and expands disclosures about fair value measurements. The guidance clarifies that fair value is an exit price, representing the amount that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants. As such, fair value is a market-based measurement that should be determined based on assumptions that market participants would use in pricing an asset or liability. CCF, Inc.'s financial assets recorded at fair value on a recurring basis primarily relate to investments. The adoption of this guidance did not have any impact on CCF, Inc.'s financial results.

The following describe the hierarchy for ranking the quality and reliability of the information used to determine and report fair values. The standard requires the assets and liabilities reported at fair value be classified and disclosed in one of the following three categories:

Level 1 - Quoted prices are available in active markets for identical assets or liabilities as of the reporting date. A quoted price for an identical asset or liability in an active market provides the most reliable fair value measurement because it is directly observable to the market.

Level 2 - Fair value is based on pricing inputs other than quoted prices in active markets and which are either directly or indirectly observable as of the reporting date. The nature of these securities includes investments for which quoted prices are available but traded less frequently than securities traded on what are deemed active markets. Also included in Level 2 are investments measured using a net asset value ("NAV") per share, or its equivalent, that may be redeemed at NAV at the date of the statement of financial position or in the near term, which CCF, Inc. has determined to be within 90 days.

of the Archdiocese of Baltimore, Inc.**

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - Continued

Fair Value of Financial Instruments - continued

- Level 3 -** Pricing of securities are unobservable as of the reporting date. The inputs used to determine fair value are not observable and require significant management judgment or estimation. Also included in Level 3 are investments measured using a NAV per share, or its equivalent, that can never be redeemed at NAV or for which redemption at NAV is uncertain due to lockup periods or other investment restrictions.

CCF, Inc. endeavors to utilize the best available information in measuring fair value. All investments are held and managed by Strategic Solutions of Commonfund. The fair value of Level 1 investments is based on quoted market prices as of the reporting date. The fair value of Level 2 investments is based on the NAV per share as a practical expedient, as provided by Commonfund. These funds are available on a monthly basis. Based on observable and verified Level 1 inputs and noted accuracy of NAV, upon past calls for cash, CCF, Inc. believes the value of Level 2 investments is representative of exit prices. The fair value of Level 3 investments is based on NAV as provided by Commonfund. These investments include private capital, global hedged instruments, natural resources and real estate and generally have an illiquid status of five years or more.

CCF, Inc. uses investment advisors to assist in managing its investment portfolio. This full discretionary investment account, guided by a Board approved Investment Policy Statement, was transitioned in May 2011. CCF, Inc.'s Investment Committee of the Board meets regularly with advisors to discuss operations and performances of the investment portfolio.

CCF, Inc. currently has no other financial instruments subject to fair value measurement on a recurring basis.

Grant Expense

The grant expense is calculated annually applying the spending rate to each eligible endowment fund balance as of December 31st. An individual endowment fund must meet certain criteria to be eligible. In general, no expense will be calculated if a fund's corpus exceeds its fair value, or has been in CCF, Inc.'s portfolio for less than twelve months.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - Continued

Grant Expense - continued

The spending formula is derived utilizing the weighing of two economic factors. The first component of the spending rate is equal to 70% of the allowable spending rate of the previous year, increased by the rate of inflation, as measured by the Consumer Price Index. The second component of the spending rate is 30% of the long-term spending rate of 4% applied to the change in fair value of the fund measured by a trailing market average over the past twelve quarters. The spending rate shall never be less than 3% or higher than 5%.

The spending rate calculated and applied to applicable fund balances was 4.37% and 4.46% for fiscal period 2014 and 2013, respectively.

Income Taxes

CCF, Inc. is exempt from federal income taxes under Internal Revenue Code Section 501(c)(3) through its inclusion in United States Conference of Catholic Bishops group ruling and listing in the Official Catholic Directory. Contributions to CCF, Inc. qualify as a charitable tax deduction by the contributor.

CCF, Inc. follows the accounting guidance for uncertainties in income tax positions which requires that a tax position be recognized or not recognized based on a "more likely than not" threshold. This applies to positions taken or expected to be taken in a tax return. CCF, Inc. does not believe its financial statements include any uncertain tax positions. CCF, Inc. is no longer subject to U.S. federal and state tax examinations for years prior to the year ended June 30, 2011.

Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and judgments that affect the reported amounts of assets and liabilities and disclosures of contingencies at the date of the financial statements and revenues and expenses recognized during the reporting period. Actual results could differ from those estimates.

Reclassification

NOTE 3 - INVESTMENTS

Investments are stated at fair value. CCF, Inc. maintains master investment accounts. Realized and unrealized gains and losses are allocated monthly to the accounts. Dividends and interest are recognized as earned. The master investments are managed by an independent professional investment management firm and are diversified among a variety of investment products. The fair values of the master investment accounts held as of June 30, 2014 and 2013 are:

	2014	2013
Cash equivalents	\$ 2,489,858	\$ 444,285

Agency Funds

CCF, Inc. applies current authoritative guidance in regards to *Transfers of Assets to Not-for-Profit Organizations or Charitable Trust that Raises or Holds Contributions for Others*, which requires that if a not-for-profit organization established a fund at a community foundation with its own funds and specifies itself as the beneficiary of that fund, the community foundation must account for the transfer of such assets as a liability. CCF, Inc. refers to such funds as agency funds. At June 30, 2014 and 2013, the balance of these funds was \$274,627 and \$241,272, respectively. The change in value is related to an increase in fair value. There were no distributions from agency funds and no contributions to agency funds in fiscal 2014 or 2013.

NOTE 4 - CONTRIBUTIONS REVENUE AND RECEIVABLE

Contributions, including unconditional promises to give, are recognized as revenue in the period received. Conditional promises to give are not recognized until the conditions on which they depend are substantially met. Contributions of assets, other than cash, are recorded at their estimated fair value. Contributions to be received after one year are discounted at a risk-adjusted rate and are presented as temporarily restricted net assets in the financial statements. Allowance of uncollectable pledges is estimated at 7.5% of pledges received unless circumstances dictate otherwise.
